

**ONE GROUP
FIVE EXPERTISES
ONE VISION**

www.confiancegroupe.com

OUR

Every great success begins with a vision. In the southern region of India, Kerala, a young entrepreneur dreamed of building something greater than himself. Driven by ambition, determination, and an unwavering work ethic, he left his homeland and moved to France with a clear objective: to create opportunities through hard work and perseverance.

Kerala

OUR STORY

France

A Journey Built on Passion & Purpose

Born in Kerala, the founder began his journey with strong values of dedication, discipline and perseverance.

At the age of 18, he moved to France with a dream to create a better future. He arrived with nothing to fall back on zero language, zero connections, zero knowledge of French culture only the will to start from scratch.

Years of learning, commitment, and hard work shaped his vision building brands that deliver quality, trust and excellence.

Today, his journey stands as a reflection of passion, innovation & a commitment to creating exceptional experiences.

THE BIRTH OF DANAX

The first restaurant opens its doors

- After years of experience, hard work, and savings, the first CFC restaurant opened its doors in Bordeaux, Cours de la Marne.
- What was once only a dream became a reality This first opening marked the beginning of an ambitious entrepreneurial journey.
- More than just a restaurant, it laid the foundations of a vision that would give birth to a structured group and many future projects, It was from this first success that Danax was born.

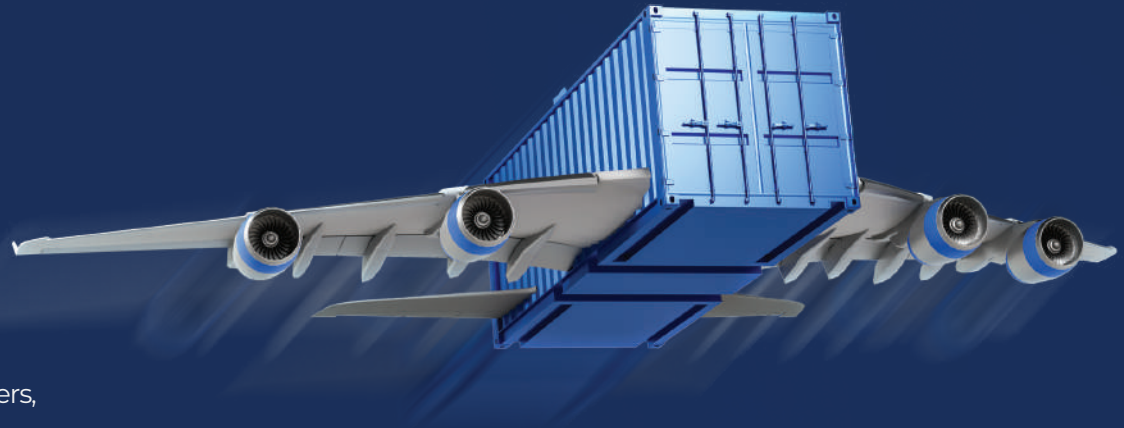

**A DREAM. A DECISION.
THE BEGINNING OF
A NEW ENTREPRENEURIAL
ADVENTURE.**

PROCUREMENT & INTERNATIONAL LOGISTICS

Danax is the group's procurement and logistics engine. Driven by a constant commitment to quality, Danax explores international markets to identify the best products, the most reliable suppliers, and the most strategic opportunities.

Best Products at the Best Price

Danax carefully selects the finest products to combine optimal quality with competitive pricing.

Import Export

Expert management of international trade flows and regulatory compliance.

Supply Chain

Optimized management of the group's supply chain to ensure availability, quality, and competitiveness.

GLOBAL NETWORK

Access to the best International markets.

RELIABLE SUPPLIERS

Strong and sustainable partnerships.

QUALITY ASSURED

High standards for exceptional products.

SUSTAINABLE GROWTH

Strategic support for the group's expansion.

THE FUTURE OF RESTAURANT OPERATIONS IS ALREADY AT YOUR TABLE

CFOCO is a futuristic restaurant chain, built around a clear mission: making everyday dining simpler, faster, and more enjoyable. With multiple locations across France, CFOCO combines quality food with artificial intelligence and smart robotic technology including self-service kiosks and automation to deliver a seamless and satisfying experience.

Less waiting. More convenience. More satisfaction with every visit. CFOCO continuously innovates to create a smoother customer experience and help businesses operate more efficiently moving forward together, day after day.

SMART KIOSKS

Self-service ordering solutions designed to provide a fast, seamless, and user-friendly customer experience.

AUTOMATION

Service robots and connected technologies that improve operational efficiency & streamline workflows.

PERFORMANCE

Management tools and intelligent systems that optimize operations, productivity and profitability.

REAL ESTATE & CONSTRUCTION

The start of our development journey.

ART-TECH represents the construction and development expertise of CFC Group. We design and deliver sustainable real estate and construction projects, combining technical excellence, innovation, and compliance with the highest industry standards. From concept to completion, our teams manage every stage of the project with precision, safety and an unwavering commitment to quality.

Building today means creating tomorrow with responsibility & pride.

INNOVATION & EXPERTISE

After selecting the finest raw materials, Danax Lab transforms ingredients into high-value products. As the group's research, innovation, and development center, it creates recipes, marinades, manufacturing processes, and quality standards that set CFC Group apart. More than just a production center, Danax Lab represents the group's intellectual property and expertise. Every recipe, every innovation, and every process is designed to ensure quality, differentiation, and sustainable growth.

RESEARCH & INNOVATION CENTER

Development of new recipes and continuous product improvement.

EXCLUSIVE RECIPES & MARINADES

Unique formulations created by our culinary experts.

PRODUCTION STANDARDS

Standardized processes ensuring consistent quality and operational excellence.

PERFORMANCE AND SCALABILITY

Products designed to perform successfully across all markets.

We don't just create recipes.
We develop expertise.

EXCELLENCE
Superior quality at every stage.

EXPERTISE
Highly qualified team.

INNOVATION
Creative & differentiated solutions.

COMMITMENT
Passion for quality & customer satisfaction.

DISTRIBUTION & COMMERCIAL DEVELOPMENT

Creating an excellent product is the first step. Making it accessible on a large scale is what truly makes the difference.

B2B NETWORK

Professional partnerships and large-scale distribution.

B2C NETWORK

Direct accessibility to end consumers.

SUSTAINABLE GROWTH

Transforming production into commercial success.

 **FAST**
Faster market deployment.

 **RELIABLE**
Strong and sustainable partnerships.

 **SCALABLE**
Ability to support rapid growth.

Innovation creates products. C-Mart opens the doors to the market.
